N. B.—Pupils are classified in their work according to the following schedule: A shows a standing of 95 or more; B, of 85-94; C, 75-84; D, below 75. If the standing is D in any branch, the progress is unsatisfactory, and unless there be improvement, it will be necessary to transfer the pupil to a lower class. In determining the standing of each pupil the daily recitations count for two-thirds, the examination for one-third. The parent or guardian is respectfully requested to examine this report, sign in the appropriate blank at the right of the report for the month, and return to
